

## **COMPANY UPDATE**

### **EdgePoint Wealth Management is Pleased to Announce its Continued Success**

Update as at April 30<sup>th</sup>, 2009

EdgePoint Wealth Management ("EdgePoint") is excited about its continued progress since the launch of its Portfolios on November 17<sup>th</sup>, 2008.

1. Since the launch of EdgePoint Portfolios on November 17<sup>th</sup>, 2008, the number of financial advisors who have partnered with EdgePoint grew to 433 by April 30<sup>th</sup>, 2009, a 329% increase from 101 advisors at the end of December 2008.

While we are very pleased with the number of new investment partners we have, we do not expect this kind of increase going forward. Our focus is on being a valued partner to few, enabling us to deliver superior service.

2. The average investment in EdgePoint Portfolios across these partnerships was approximately \$550,000 per advisor.
3. Since launching our Portfolios on November 17<sup>th</sup>, 2008, EdgePoint, in our estimation, has signed dealership agreements with approximately 95% of the financial advisors in Canada to distribute our Portfolios.

We look forward to building wealth for our investment partners over the long term.
