Cymbria Corporation Announces Normal Course Issuer Bid

TORONTO, May 11, 2009 – Cymbria Corporation (TSX: CYB) (“Cymbria” or “the Company”) announced today that it has filed a notice with the Toronto Stock Exchange (the “TSX”) and received its approval to make a Normal Course Issuer Bid (“NCIB”) permitting the Company to purchase, for cancellation, up to 10% of the public float of non-voting, non-redeemable class A shares (“Shares”), or 1,414,407 Shares. Cymbria has 14,259,974 shares issued and outstanding as at May 8, 2009.

Cymbria may buy back shares from time to time during the twelve-month period beginning on May 13, 2009 and ending on May 12, 2010. Any purchases under the NCIB will be made through the facilities of the TSX.

In accordance with the rules of the TSX, the maximum number of shares that can be purchased by the Company during a 30-day period is 282,881 Shares, subject to certain exceptions of the TSX.

The Company is implementing the NCIB because in the opinion of the board of directors, the value of the Company is greater than the present aggregate market price of the Shares and accordingly, the acquisition of Shares under the normal course issuer bid represents an appropriate use of funds.
