EdgePoint Wealth Management is Pleased to Welcome Four New Employees

May 11, 2009 - EdgePoint Wealth Management ("EdgePoint") is pleased to announce that four individuals have joined our organization in the areas of Investments and Sales.

Frank Mullen has joined as an Associate in Investments, focusing on fixed-income and equity research. Previously, Frank worked as an Associate in HSBC's Derivatives Product Group.

Anna Tischenko has joined the Investments department assisting on the trading desk and will support the group with data and investment analytics research. Previously, Anna worked at Avenue Investment Management where she assisted in trade settlement and reconciliation.

Greg Lagasse has joined our Sales department as an external Relationship Manager. Previously, Greg was Regional Vice President of Sales for Manulife Investments. Greg was a former employee of Invesco Trimark from 1999 to 2001.

Pho Lai has joined our Sales department as an internal Relationship Manager. Previously, Pho was a Regional Associate of Sales for Invesco Trimark.

"We are thrilled to have such high caliber people join our organization", said Patrick Farmer, Chief Operating Officer of EdgePoint Investment Group Inc. "We have enjoyed initial success in our business and in order to continue to provide our standard of service to our investment partners, we felt it was necessary to expand our team."
